A live webcast will be available on Asana's website at <https://investors.asana.com>.

About Asana

Asana is the operating system for human-agent teams. Built on 18 years of foundational architecture, the enterprise Work Graph®, multiplayer collaboration, shared memory, and governance, it is exactly what the agentic era requires: a place where humans and agents run critical workflows together, on the same plan, toward the same goals — unlocking enterprise productivity.
